## **A** ABOUT THE CIRCUS

Showmakers, Inc. presents the all-new "SUPER AMERICAN CIRCUS", a 2-hour arena tour that entertains audiences from start to finish, with performers from around the world. This modern one-ring circus showcases some of the best acts, bringing circus thrills and laughs for all ages.

The Super American Circus recently wrapped up a successful four-city tour across the Hawaiian Islands, performing 26 shows to sold-out audiences on four different islands.

The Superhero theme and thrilling acts featured in the circus were the Lacasse Duo – Performing Human Flags (Winner of "France's Got Talent – Golden Buzzer Selection & Featured Performer on The Ellen DeGeneres Show), The Martin Espana Family featuring The Cyclone (Motorcycle stunts and summersaults on an elevated circular platform) and The Russian Swing, The Wheel of Danger (World-Renown Father and Son team – Martin and Mario Espana performing incredible acts on a revolving wheel – four stories high), Aerialists – David and Angela Saucedo (an elegant aerial display of "Davangie" on silks), Tino Ferreira – Rolla Bolla (Balancing Act on stacks of cylinders – "America's Got Talent alumni), Olena Deshko (The Ukranian Tornado – Hula Hoop Act), Olexandr Kartukov (Hilarious Clown act), Elaine Alcon (Superhero performing aerial ballet on the Spanish web), Ruslan – Tower of Chairs (Chair Stacking act) and Golden Statues along with Ringmaster Molly.

Jordan Segundo was the headlining vocalist for The Super American Circus performing songs from "The Greatest Showman". This multi-talented artist is recognized as the first singer from Hawaii to become a finalist on the nationally acclaimed televised singing competition, "American Idol" in 2003.

In addition, families were delighted with pre-show and intermission activities including face painting and photos with Superhero characters. Traditional treats such as snow cones, cotton candy and popcorn, along with fun circus merchandise were available.

Besides bringing smiles and laughter to the audiences of Hawaii, The Super American Circus gave back to the local community. Proceeds from every ticket sold benefited Kama'aina Kids, a non-profit organization that serves children and families throughout Hawaii.

The Super American Circus provides family-friendly entertainment for all ages with thrilling human acts, fun-filled comedy and exciting unforgettable moments that will create memories that will last a lifetime.

## ABOUT CORNELL "TUFFY" NICHOLAS

Cornell "Tuffy" Nicholas was the Ringmaster for The Super American Circus. "Tuffy" comes from a family with an extensive circus history: his father "Count Nicholas" was the lead ringmaster extraordinaire of the traveling Ringling Brothers circus and his mother worked as a bear trainer. Born on the Sarasota, Florida stop of the circus, he spent much of his life on the road and has produced and managed more than 5,000 shows in the U.S. and around the world. "Tuffy" expresses his love for the circus, "The satisfaction knowing that you have created something that is not only successful, but also brings happiness to people from all around the world is very rewarding".
